IN MEMORY OF OUR COMMANDER-IN-CHIEF

Farewell dear President,
Rest in heavenly peace;
Another life is beginning,
Never your work shall cease.
Knowledge of your death has shocked the world,
Leaving sadness in all our hearts;
Image of you on every flag unfurled,
News that saddens our far ramparts.

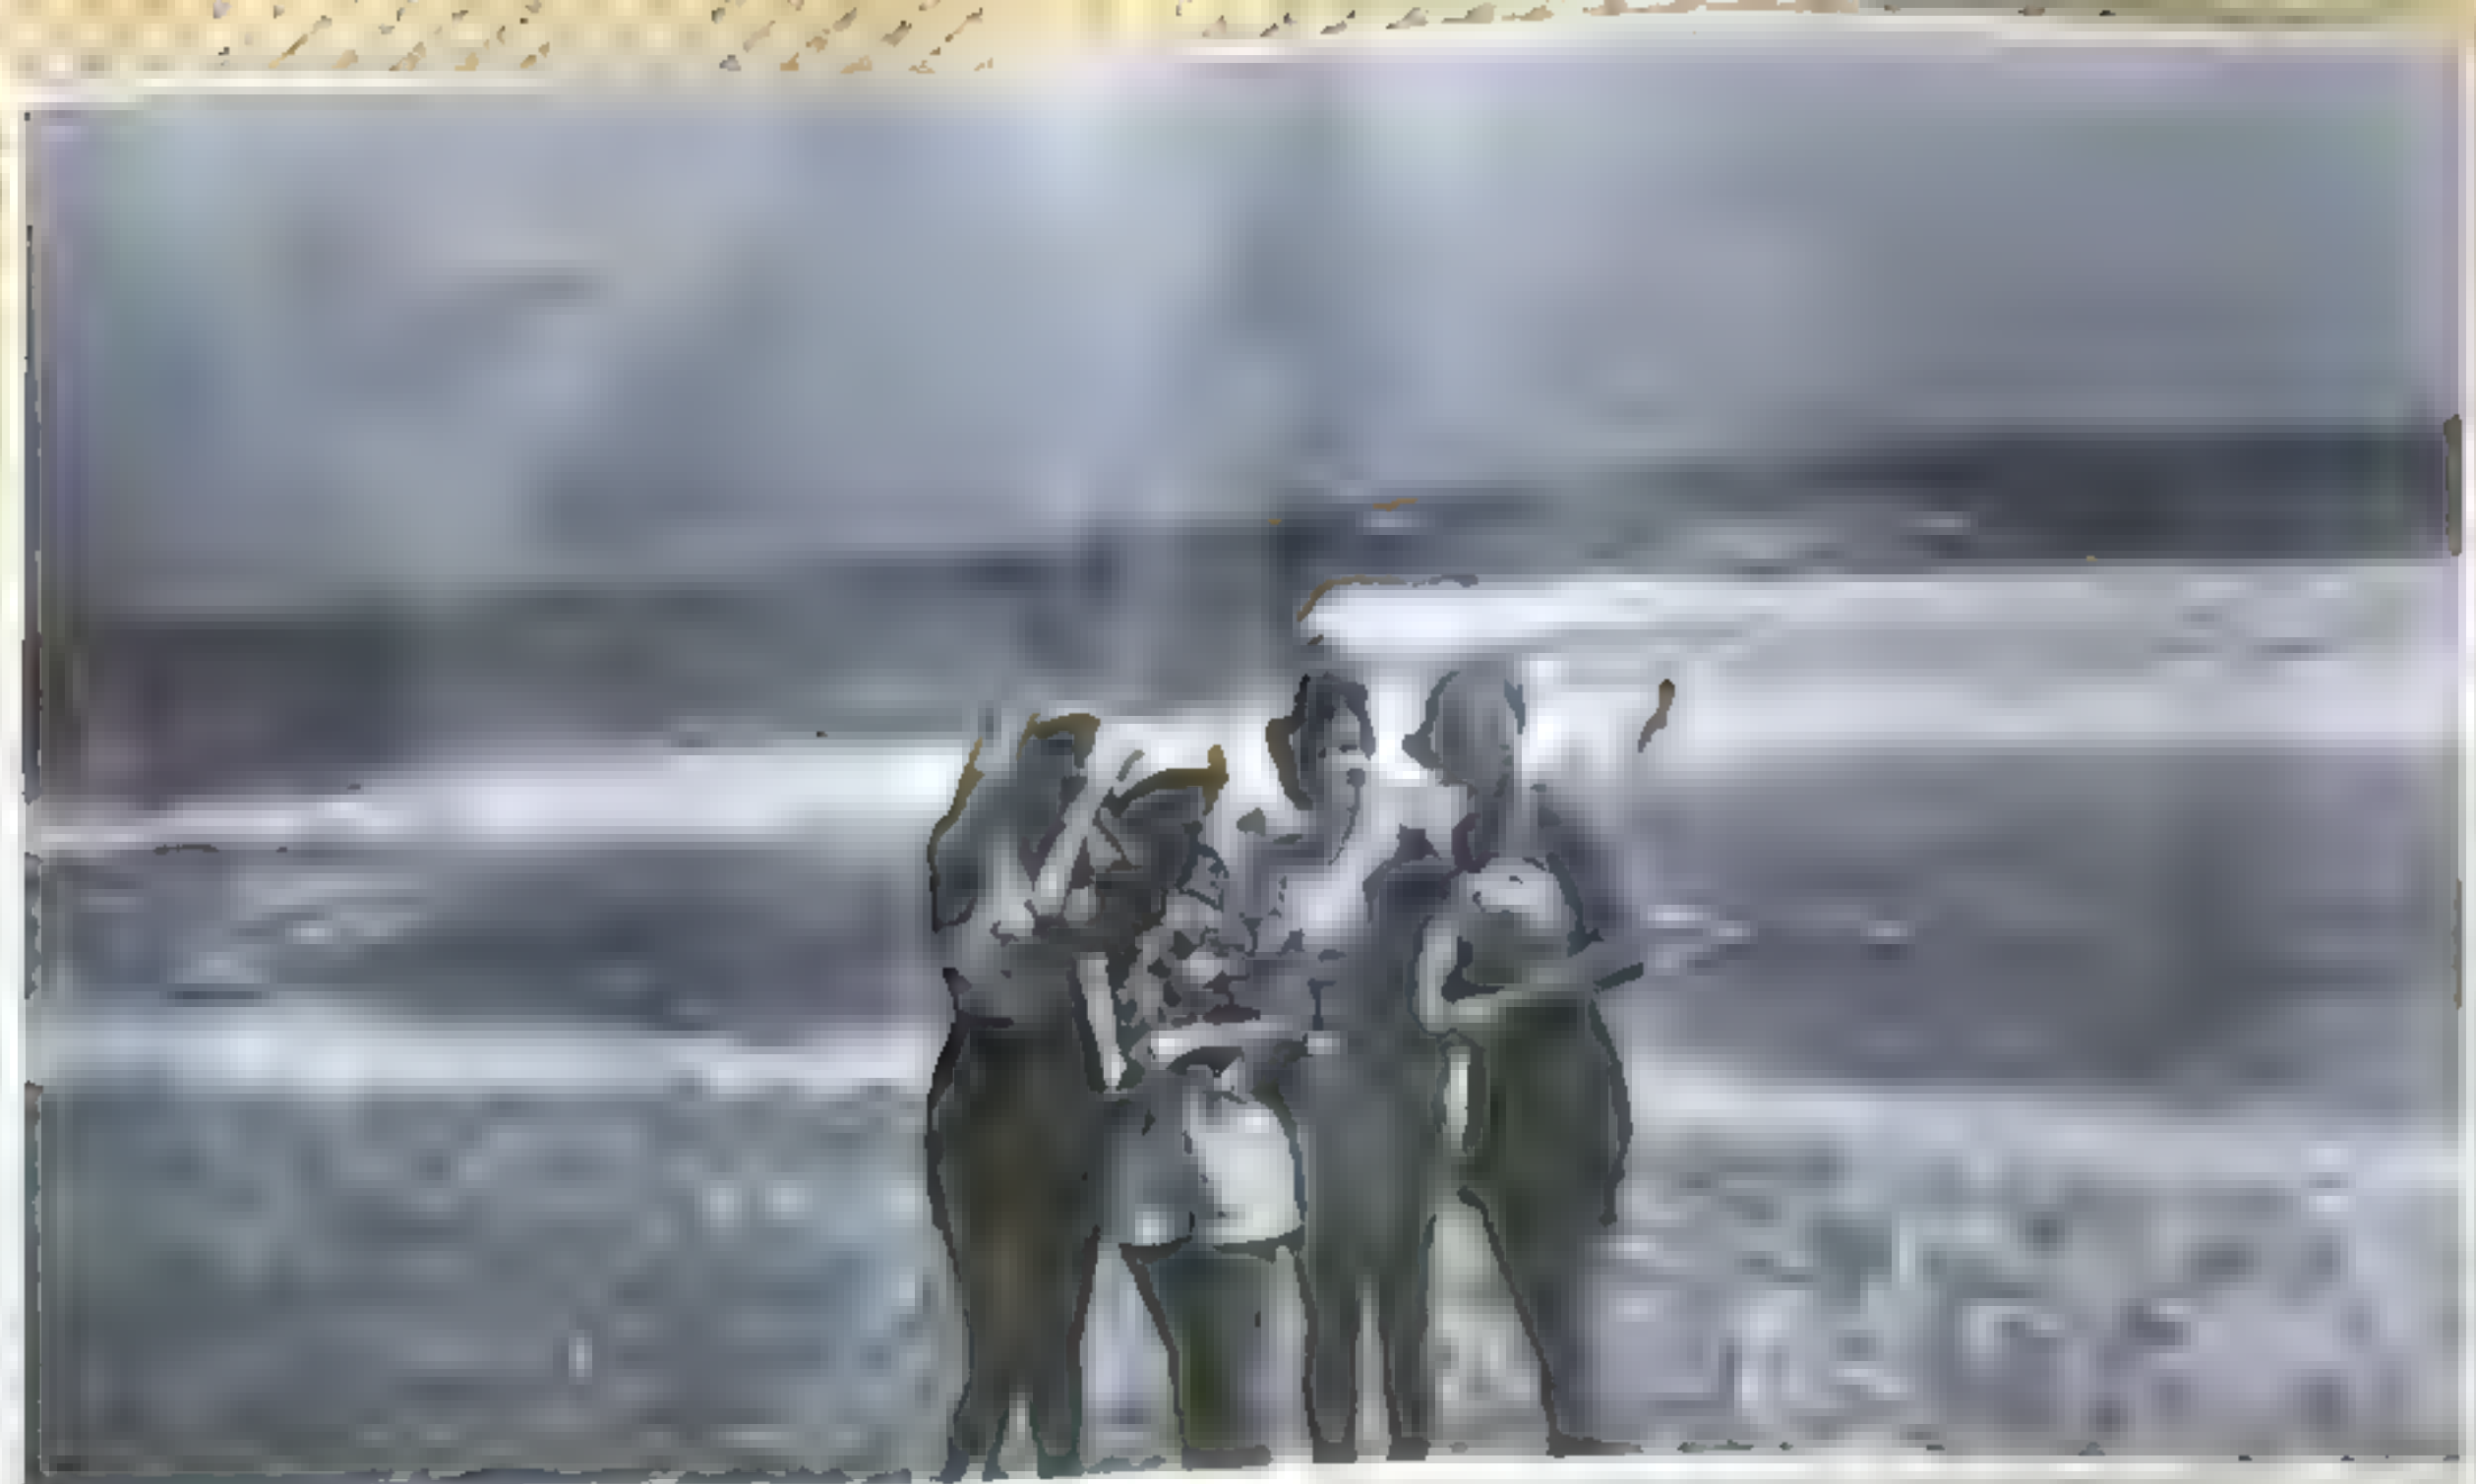

Death has taken you from us
Even though it's hard to bear;
Life has just begun for you,
Another, new, different life up there.
Now that you have won your final peace,
Our efforts to finish your work shall never cease.

Rest, by faith, you need it,
Ordeals you have been through,
Ordeals of many many years
Offered from us unto you.
Efforts you have put forth—
Victory, Final Peace, as your aim,
Everlasting peace will be won,
Rest your death be in vain.
Take him, God, Victory is his!
